Dear friends of Netivah,

"Give us help from trouble, for the help of man is useless. Through God we will do valiantly, for it is He who shall tread down our enemies" (Ps. 60:12-13).

In this time we remind ourselves that our God is the God of Israel, the God who is faithful to His promises, the God who is Yes and Amen, our mighty Deliverer!

The war in Gaza goes on as the efforts to recover the hostages are being carried out. On the northern border the IDF maintains its position as the situation is still tense. Soldiers from the body of Messiah take part on all fronts and locations. We continue to pray for them, and we know that many of you do as well. Thank you. They need our prayers.

We continue in corporate efforts for displaced families and different needs, together with other organizations. Recently most of the families who stayed in the Baptist Village returned home. We follow closely with the believing soldiers who are still on duty, whether mandatory duty or reserve. As we told you on the last newsletter, we try to answer specific requests made to us, and bring the soldiers required necessities like vitamins and warm clothing. Thanks to many of you who sent us financial support we could, over the last 2 months, make more than 230 journeys to reach approximately 3,000 soldiers. It was a true joy to see them, give away the support, pray with them, and hug them. Thank you all who partners with us in this effort. This is your hug as well.

PLEASE PRAY FOR:

1. Our soldiers, many who are already long weeks away from home, for protection, encouragement, and joy.
2. The wounded soldiers and all those broken-hearted among our nation, who are hurting and grieving; to be restored and comforted.
3. For the youth to grow in the faith and cling to family and congregation.
4. And please pray for the entire Netivah team, for wisdom, encouragement, and strength.

Due to the situation we had no choice, but to cancel two youth conferences, one the national youth camp for youth from all ages, and the other – the youth camp for the junior high students.

However, we organized the conference to reach them! We sent approximately 1,000 nice bags that we packed for each youth.

Each bag was packed with a small wireless speaker, t-shirt, a study guide and QR codes to scan and listen to encouraging messages. We were very happy to see photos of these lovely teens thanking us with a big smile!

we are honored to be able to serve our soldiers, youth, and many other of our nation in these distressing times. We are honored that you take the time to read our newsletter, and that you partner with us in prayer and support. All is for the glory of the Lord, and for His beloved youth and soldiers in Israel who follow Him and are called by His name.

Needless to say, many activities are on hold and so our team finds creative ways to reach the youth, encouraging them to engage in activities of prayer, fellowship, and help.

Dear friends, we wish you a happy holiday season. May you be surrounded with the love and peace of God. Thank you for standing with us as we serve the body of Yeshua in Israel.

Yours in Yeshua our Lord,
Joel Goldberg and the Netivah Team
